"Oracle Cloud Services offers an integrated management suite that is designed to automate, streamline and control an organization's management processes end to end"

**From Our Customers**

"Syntax was able to bring us a solution that met our requirements and our budget and have it up and in production in 45 days. We couldn't be happier with the process and the result!"

**Diane Grube**, VP Financial Services, Amneal Enterprises

"We think of Syntax as a 24/7 extension of our IT department."

**Don Luby**, VP of Information Technology, Atrium Innovations Inc.

"The reliability and peace of mind Syntax provides is outstanding. We don't ever have to worry about system management or availability on our side."

**Maxime Raymond**, IT Supervisor, Regal Confections

"Syntax continually brings the pre-requisite knowledge to support our mission critical application technologies. We view Syntax as a natural extension of our current team."

**David Kramer**, Sr. Director of Information Systems, Laticrete International Inc.

"We now have a solution that has been an enabling factor in growing the business. We are looking forward to working with the Syntax implementation and managed services teams to expand the footprint of Oracle JD Edwards in our next phase."
